I have Who has?

My first graders love the I have Who has? game. Hope yours enjoy this one just as much. Just photocopy the cards on cardstock and laminate if you wish. The game begins with the START card and the last card is the Snowman. There are 18 cards in all, so depending on how many kids you have in your class, you may be able to do this activity as a whole class or, with larger classes, in small groups. It provides some vocabulary, color, ordinal and left/right practice, plus it's so much fun!

START

I have the

Scarf

**Who has
the 1st red
button?**

I have the

1st red

button.

**Who has the
1st green
button?**

I have the
